

HOLY TRINITY EPISCOPAL CHURCH CHILDREN AND YOUTH PROGRAMS

Barbara Kunath, Director of Youth and Children's Ministry

The Sunday School Program

Our Sunday School Program for children and youth uses the "Living the Good News," lectionary-based curriculum. Each Sunday, children and youth share a common focus drawn from the lectionary readings for that day. Adult members experience the same readings in church on that day, therefore, families are able to later discuss and share their discoveries for the day.

Our program develops through the seasons of the Church: Advent, Christmas, Epiphany, Lent, Easter and Pentecost. Together, children, youth, and adults discover the story of God's love for God's people.

Sunday school is offered from September through May for PreK through Grade 12 beginning at 10:00am, with the children and youth rejoining their families at Offertory time to experience the Eucharist together.

A Sunday School Program, "Godly Play" is offered during the summer for elementary age children. Our youth are encouraged to attend church with their families during the summer.

Growing Together

Growing Up

Grades 6-12

.....gather each Sunday and learn about how to connect Christian principles to the everyday issues that they are facing, such as: developing self esteem; building strong, positive relationships; strengthening their faith; improving their decision making skills; communicating with parents, and other life skills.
